<b>Shortlisting Parameters</b>	1) The fund has been able to secure a position in the top quartile during 1, 2 and 3 year returns. 2) The fund focuses on building a diversified portfolio on a 3-pronged stock selection approach of Quality, Growth and Reasonable Valuation.	1) This fund has been able to secure a position in the top quartile across all the tenures. 2) The fund has the lowest down-capture ratio in comparison to its peers. A lower down capture ratio indicates that the fund performs better during market declines, losing less value compared to its peers. It shows strong downside protection and risk management.	1) Maintains a favourable AUM in comparison to its peers. 2) Generates superior active returns for the amount of active risk taken. 3)The fund manager has a strong track record and has been managing this fund for the past 5 years.	1) Fund Manager Samir Rachh, the longest-tenure manager on this strategy, provides strong guidance, offering 13 years of portfolio management experience. 2) Fund consistently ranks within the top quartile, when considering longer investment periods.	1) LIC Small Cap Fund's stronger performance and better sector allocation & stock selection, it presents a more attractive option for investors seeking growth in the small-cap space. 2) Managed by Mr. Nikhil Rungta, who has over 16 years of experience in equity research and portfolio management.
